

Building Is Again Closed

In light of the increasing COVID numbers in San Antonio, the Safe Church Team has voted to close Sunday services to the public, beginning Dec. 27. We will continue to live stream services on Facebook.

Libby will usually be in the office on Monday and Thursday afternoons. This schedule can change so call before you come.

Star Words for 2021

Like so many things, distributing Star Words for the year is proving to be complicated, especially with the building closed. The Star Words List below appeared on the website of a Lutheran church in San Marcos. If you are eager to get your 2021 Star Word, you can do so by selecting a random number between 1 and 100 and finding that number on the list. However you find your Star Word, write it on a brightly colored, star-shaped piece of paper and put it where you will see it often. Then consider its significance in your life and how God may be using this single word to speak to you. The list is below.
